**WE WANT YOU!**

The **Social Robotics Laboratory** is actively searching for student assistants (HiWis) at 20 / 40 hours per month!

If you...

- possess knowledge in C++ and/or ROS
- are interested in working with our robot DARYL
- would like to participate in our EU project SPENCER, which involves sending a robot for guiding passengers to Amsterdam-Schiphol airport

send an email to [linder@cs.uni-freiburg.de](mailto:linder@cs.uni-freiburg.de)!
